## Essential Boat Electrics Pat Manley

Demystifying the complex subject of boat electrics, this eBook teaches you how to use a multimeter; wire and protect a circuit; troubleshoot electrical faults; connect a PC to your instrument system and much more.

The simple language and clear illustrations will help you understand what's going on, and show you how to carry out the many electrical jobs on board effectively and safely. This book looks at tasks such as choosing solar panels and new batteries, as well as practical electrical work on your boat. It covers 36 topics that a yachtsman will need to tackle to keep the professionals at bay.

A worthy companion to Manley's bestselling Simple Boat Maintenance.
