River: One Man's Journey Down the Colorado, Source to Sea (Vintage Departures)

Colin Fletcher

River: One Man's Journey Down the Colorado, Source to Sea (Vintage Departures) Colin Fletcher

At age sixty-seven, Colin Fletcher, the guru of backpacking in America, undertook a rigorous six-month raft expedition down the full length of the Colorado River--alone. He needed "something to pare the fat off my soul...to make me grateful, again, for being alive." The 1,700 miles between the Colorado's source in Wyoming and its conclusion at Mexico's Gulf of California contain some of the most spectacular vistas on earth, and Fletcher is the ideal guide for the terrain. As his privileged companions, we travel to places like Disaster Falls and Desolation Canyon, observe beaver and elk, experience sandstorms and whitewater rapids, and share Fletcher's thoughts on the human race, the environment, and the joys of solitude.
