The Middle Stories Sheila Heti

Wildly acclaimed in Canada, this book marks the debut of a remarkable young writer first published by McSweeney's when she was twenty-three and living at home with her dad and brother. *The Middle Stories* is a strikingly original collection of stories, fables, and short brutalities that are alternately heartwarming, cruel, and hilarious.

This edition, marking the 10th anniversary of *The Middle Stories*, will be designed in the newly iconic McSweeney's paperback style, and will be published shortly before Heti's newest novel, *How Should A Person Be?*, emigrates from Canada via Henry Holt & Co.
