The Zombie Stories of H. P. Lovecraft: Featuring Herbert West--Reanimator and More! (Dover Horror Classics) H. P. Lovecraft

"A fantastic anthology by the true master of horror fiction. Highly recommended." — Book Nutter's Book Reviews

"This is an excellent collection of Lovecraft's 'zombie' stories, which serves both as a treat to old fans and a sampler to people who haven't read Lovecraft before. I would highly recommend this collection." — Of Stacks and Cups

Joyce Carol Oates, Stephen King, and other experts on horror fiction deem H. P. Lovecraft the master teller of weird tales. These six chilling stories ? all published between 1921 and 1933 ? offer compelling journeys into the land of the undead.

The collection begins with "The Outsider," the tale of a recluse whose overwhelming loneliness emboldens him to seek out human contact. Subsequent stories include "Herbert West?Reanimator," written as a satire of *Frankenstein* and used as the source for a popular horror film; "In the Vault," in which an undertaker experiences supernatural revenge; "Cool Air," an account of a doctor's fanatical obsession with defying death; and "Pickman's Model," focusing on an artist's gallery of nightmares. "The Thing on the Doorstep" concludes the compilation with the compelling tale of a man whose body is preyed upon by a spirit that refuses to die.
