For more than 1000 years, the Yoruba of Nigeria have planned their lives, found true love, and learned their destiny through a vibrant and poetic fortune-telling system. *African Oracles in 10 Minutes* puts the power of these ancient methods in your hands.

Sensing the strong link between sexual and spiritual energy, the Yoruba have traditionally explored both male and female paths to wisdom. You can choose to follow either the "White Cotton Road," which women have relied on for centuries, or the "Melon Seed Road," favored by men. Each path offers more than 250 readings that are both relevant to modern life and faithful to the spirit of the original systems. All you need are 16 objects -- coins, shells, beads or dried beans -- to get instant answers to yes or no questions as well as in-depth readings on more profound considerations.

African Oracles in 10 Minutes provides both a fascinating glimpse of Yoruban spiritualism and a time-honored method for unlocking the secrets of the past and revealing the destiny that awaits you.
