## **Blue Ridge 2020: An Owner's Manual** Steve Nash

The mountain chain known as the Blue Ridge traces a 550-mile arc through Pennsylvania, Virginia, North Carolina, Tennessee, South Carolina, and Georgia. Along the way, it encompasses Shenandoah National Park, Great Smoky Mountains National Park, the Blue Ridge Parkway, seven national forests, numerous federal wilderness areas and state parks, and parts of the Appalachian Trail. It is the largest concentration of public lands east of the Mississippi and home to an astonishing diversity of plant and animal life. But as the most extensive natural area in the increasingly populous Southeast, the Blue Ridge ecosystem faces unique challenges in the next decades.

Drawing on scientific research in a variety of disciplines, journalist Steve Nash provides a clear and evenhanded introduction to some of the most hotly disputed environmental issues facing the Blue Ridge, including the invasion of exotic plants and insects, the explosive growth of suburban-style communities in natural areas, worsening air and water pollution, and the erratic management of national forests. Informative and highly readable, *Blue Ridge 2020* takes a hard look at what is at risk in these mountains and what we--as the "owners" of the public lands--must do if we intend to preserve their future.

So , for all of you who want to start studying as your good habit, you may pick Blue Ridge 2020: An Owner's Manual become your starter.

#### **Donald Chen:**

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Blue Ridge 2020: An Owner's Manual can make you feel more interested to read.
