Oak Island Obsession: The Restall Story Lee Lamb

As Bob and Mildred Lee, they amazed audiences with their death-defying motorcycle act. In reality they were Bob and Mildred Restall, parents of three, who balanced their glamorous show-business career with a happy, stable home life.

In October 1959, the Restalls embarked on the ultimate family adventure, as Bob led his family to the east coast of Canada to dig for the famous treasure of Oak Island. For nearly six years they lived without telephone, hydro, or running water while newspapers and magazines chronicled their attempts to solve the mystery of the Money Pit. On August 17, 1965, their quest ended in tragedy when four men died.

This biography, compiled by their daughter, includes material written by each family member. Lyrical descriptions of nature, amusing anecdotes, details of the dig, and numerous photographs help to tell the story. This book is a must for Oak Island enthusiasts.
