The Fire Dragon Storm (Lightning Catcher) Anne Cameron

In the fast-paced conclusion to The Lightning Catcher quartet, storm prophet Angus McFangus makes one final attempt to rescue his parents and save his school from the villainous Scabious Dankhart. This school adventure series is a mix of *Storm Chasers* and *The Mysterious Benedict Society*. Action-packed, lighthearted, and perfect for reluctant readers, with black-and-white illustrations by Newbery Honor author Victoria Jamieson!

Halfway through their second year at the Perilous Exploratorium for Violent Weather and Vicious Storms, Angus McFangus and his two best friends, Indigo Midnight and Dougal Dewsnap, are being heatedly pursued by Scabious Dankhart. In an attempt to foil Dankhart, who is already holding Angus's parents as prisoners, Angus and his friends fake their own deaths and go into hiding within the Exploratorium itself. When they discover the existence of blue-dragon scales that allow a storm prophet to control multiple fire dragons at once, the trio goes on a quest to locate all four scales. As the single living storm prophet, Angus is the only person who can control the dragon scales and use them to defeat Dankhart and his powerful lightning tower.

Gail Blakely:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Fire Dragon Storm (Lightning Catcher) can make you feel more interested to read.
