The Perfume Garden: A Novel Kate Lord Brown

An acclaimed international bestseller, *The Perfume Garden* is a sensuously written story of lost love, family secrets—and the art of creating a perfect scent.

High in the hills of Valencia, a forgotten house guards its secrets. Untouched since Franco's forces tore through Spain in 1936, the whitewashed walls have crumbled, and the garden, laden with orange blossom, grows wild. Emma Temple is the first to unlock its doors in seventy years. Emma is London's leading perfumier, but her blessed life has taken a difficult turn. Her free-spirited mother, Liberty, who taught her the art of fragrance making, has just passed away. At the same time, she broke up with her long-time lover and business partner, Joe, whose baby she happens to be carrying.

While Joe is in New York trying to sell his majority share in their company, Emma, guided by a series of letters and a key bequeathed to her in Liberty's will, decides to leave her job and travel to Valencia, where she will give birth in the house her mother mysteriously purchased just before her death. The villa is a perfect retreat: redolent with the exotic scents of orange blossom and neroli, dappled with light and with the rich colors of a forgotten time. Emma makes it her mission to restore the place to its former glory. But for her aging grandmother, Freya, a British nurse who stayed in Valencia during Spain's devastating civil war, Emma's new home evokes memories of a terrible secret, a part of her family's past that until now has managed to stay hidden. With two beautifully interwoven narratives and a lush, atmospheric setting, Kate Lord Brown's *The Perfume Garden* is a dramatic, emotional debut that readers won't soon forget.

Paul Horn:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Perfume Garden: A Novel can make you really feel more interested to read.
