The women of Sweethaven are reunited for a small-town Christmas!

It's holiday time in Sweethaven, but things don't go quite as planned for these scrapbookers. Lila is thrown for a loop when a woman claiming to be her sister arrives in town. As she begins digging into the woman's claims, Lila uncovers things about her family she may never be able to accept or forgive.

And after the girls find an old scrapbook on Adele's bookshelf, she is reminded of her first love, a Sweethaven boy whose heart she broke so many years ago. With help from modern technology, Adele arranges a reunion with this man. And when Campbell sees Luke with a ring, she isn't sure whether to be happy or terrified. Are wedding bells in her future? For Jane and Meghan, Sweethaven is filled with the promise of something new—as well as good friends, a new scrapbook and a little holiday magic!
