"Funny and brutal, heartfelt and compelling" Craig Robertson. Even though he's a successful criminal, Kenny O'Neill - Glasgow's answer to Tony Soprano - is angry. Not only has his high-class escort girlfriend just been attacked, but his father is reaching out to him from the past - despite abandoning Kenny as a child after his mother's suicide. Kenny is now on a dual mission to hunt down his girl's attacker and find out the truth about his father... but instead he unravels disturbing family secrets and finds that revenge is not always sweet. An intelligent, violent thriller shot through with dark humour, *Beyond the Rage* entralls and disturbs in equal measure. With an intricate plot, all-too-believable characters, an undeniably Scottish atmosphere and perfectly pitched dialogue, this is a masterclass in psychological crime fiction writing.
