#### **Gary Jensen:**

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Fliktrik 5: The Headroll and Flips can make you experience more interested to read.
