Southern Belly: A Food Lover's Companion

John T. Edge

Southern Belly: A Food Lover's Companion John T. Edge

John T. Edge, "the Faulkner of Southern food" (the *Miami Herald*), reveals a South hidden in plain sight, where restaurants boast family pedigrees and serve supremely local specialties found nowhere else. From backdoor home kitchens to cinder-block cafés, he introduces you to cooks who have been standing tall by the stove since Eisenhower was in office. While revealing the stories behind their food, he shines a bright light on places that have become Southern institutions.

In this fully updated and expanded edition, with recipes throughout, Edge travels from chicken shack to fish camp, from barbecue stand to pie shed. Pop this handy paperback in the glove box to take along on your next road trip. And even if you never get in the car, you'll enjoy the most savory history that the South has to offer.

From reader reviews:

Johnny Cervantes:

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is in the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Southern Belly: A Food Lover's Companion as the daily resource information.

Ericka McCall:

Is it anyone who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Southern Belly: A Food Lover's Companion can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Jesus Thresher:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Southern Belly: A Food Lover's Companion can make you feel more interested to read.

Bonnie Pace:

Reserve is one of source of information. We can add our information from it. Not only for students but also native or citizen require book to know the change information of year for you to year. As we know those guides have many advantages. Beside we add our knowledge, also can bring us to around the world. With the book Southern Belly: A Food Lover's Companion we can have more advantage. Don't you to definitely be creative people? To get creative person must want to read a book. Just choose the best book that ideal with your aim. Don't end up being doubt to change your life with that book Southern Belly: A Food Lover's Companion. You can more desirable than now.
