## **What is Art?** Leo Tolstoy

While Tolstoy may be best remembered as the talented Russian author of such monumentally great works as "War and Peace" and "Anna Karenina", he also wrote prolifically in essay format on various subjects. In this volume Tolstoy turns his attention to the study of aesthetics and art in all its forms. Based on fifteen years of research "What is Art?" is Tolstoy's intellectual exposition into answering the titular question. Rich with criticism for his contemporaries as well as even his own writings, Tolstoy makes the central argument that art should be used as a force for good and betterment of mankind and that art that is borne out of vanity, sexual desire, or some other amoral ambition should be condemned. For Tolstoy, art has a religious significance, which is instrumental to the reader in explaining the philosophy for art that he crafts in this work. As a compelling and interesting examination of the place of art in our society, "What is Art?" is a must read for all artists, written masterfully by one of the greatest writers to ever have lived.

#### **Carl Johnson:**

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this What is Art? can make you truly feel more interested to read.
