A “searing memoir of loss and redemption” (*People*) that “exposes the side of *The Wolf of Wall Street* we didn’t get to see” (*Metro*), *After Perfect* is a cautionary tale about one family’s destruction in the wake of the Wall Street implosion.

Selected as one of the year’s “Fifteen Books You Need to Read” by the *Village Voice*, Christina McDowell’s unflinching memoir is “a tale of the American Dream upended.” Growing up in an affluent Washington, DC, suburb, Christina and her sisters were surrounded by the elite: summering on Nantucket Island, speeding down Capitol Hill’s rich back roads, flying in their father’s private plane. Their life of luxury was brutally stripped away after the FBI arrested Tom Prousalis on fraud charges. When he took a plea deal as he faced the notorious Wolf of Wall Street Jordan Belfort’s testifying against him, the cars, homes, jewelry, clothes, and friends that defined the family disappeared before their eyes, including the one thing they could never get back: each other.

Christina writes with candid clarity about the dark years that followed and the devastation her father’s crimes wrought upon her family: the debt accumulated under her identity; her mother’s breakdown; her own spiral into addiction and promiscuity; and the delusion that enveloped them all. She shines a remarkable, uncomfortable light on a family’s disintegration and takes a searing look at a controversial financial time and also at herself, a child whose “normal” belonged only to the one percent. A rare, insider’s perspective on the collateral damage of a fall from grace, *After Perfect* is a poignant reflection on the astounding pace at which a life can change and how blind we can be to the ugly truth.
