Morning Miracle: Inside the Washington Post A Great Newspaper Fights for Its Life

Dave Kindred

Morning Miracle: Inside the Washington Post A Great Newspaper Fights for Its Life Dave Kindred
An in-depth look at the *Washington Post* from a Pulitzer Prize–nominated Post veteran. *Morning Miracle* definitively answers the question “Do newspapers still matter?” with a resounding yes.

What *The Kingdom and the Power* did for the *New York Times*, *Morning Miracle* will do for the *Washington Post*. A reporter for more than forty years, Dave Kindred takes you inside the heart of the legendary newspaper and offers a unique opportunity to see what it really takes to produce world-class journalism every day.

Granted unprecedented access to every nook and cranny of the paper, including candid exchanges with its most celebrated journalists, such as Bob Woodward, Sally Quinn, David Broder, and former executive editor Ben Bradlee (who gave the book its title), Kindred provides a no-holds-barred look at the twenty-first-century newsroom. As it becomes more difficult to maintain journalistic integrity, stay relevant in the age of blogs, and meet Wall Street’s demands for profits, the newspaper—more than any other medium—also shoulders the tremendous responsibility of acting as a watchdog for democracy.

Perhaps no one sums up the overwhelming challenges that face the *Post* and its power to endure better than the author himself: “It is still a miracle that you can put 700 overcaffeinated misfits in a newsroom, on deadline, adrenaline running, secrets to spill, and before midnight a messenger delivers a smoking-hot city edition to Don Graham’s manse in Georgetown.”

From the Hardcover edition.
