Mr. Bob Perry

The Broken Statue: A Play: Jewel Version Mr. Bob Perry

A limestone statue of a striking young woman is buried and lost for nearly thirty years—a broken statue representing shattered lives and shattered dreams. The story of the statue is one of love, greed, power, and lost aspirations. The statue symbolizes what was and what could have been—a tale of a great oil empire betrayed, destroying the lives of the family who built it. This intriguing story captures the wild risk-taking, broken lives, and the lavish lifestyles of the gilded age of the early oil industry. The story is based on the real-life legacy of oil-baron E.W. Marland, who made and lost a fortune in the oilfields of northern Oklahoma, and the tragic story of Lydie Marland. E. W. Marland survived a notorious marriage to become a United States congressman and the 10th governor of Oklahoma. The Broken Statue reveals the determination, grit, successes, and frustrations of E.W. Marland and the tragic challenges he left for his young widow. Other Bob Perry novels include *Mimosa Lane*, *Brothers of the Cross Timber*, *The Nephilim Code*, *Guilt's Echo*, and *Lydie's Ghost*.

From reader reviews:

Carl White:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or even their experience. Not only the story that share in the publications. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write with their book. One of them is this The Broken Statue: A Play: Jewel Version.

Veda Howard:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Broken Statue: A Play: Jewel Version, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its identified as reading friends.

Betty Peoples:

This The Broken Statue: A Play: Jewel Version is great reserve for you because the content which can be full of information for you who also always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great organize word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having The Broken Statue: A Play: Jewel Version in your hand like having the world in your arm, data in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen small right but this reserve already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Thomas Busch:

In this period globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. Typically the book that recommended to you personally is The Broken Statue: A Play: Jewel Version this book consist a lot of the information on the condition of this world now. This specific book was represented how do the world has grown up. The terminology styles that writer value to explain it is easy to understand. The actual writer made

some study when he makes this book. Honestly, that is why this book ideal all of you.
