Don't Bring Home a White Boy: And Other Notions that Keep Black Women From Dating Out Karyn Langhorne Folan

In *Don't Bring Home a White Boy*, writer Karyn Langhorne Folan debunks the myths about interracial relationships. Drawing on real-life testimonials, she boldly tackles this difficult subject with warmth, humor, and understanding, as she explores stereotypes of black female sexuality and white male perspectives on black female beauty.

Folan goes beyond statistics and offers firsthand insights on her own interracial relationship and attempts to tap into a woman's desire to have all that they deserve instead of restricting themselves, simply because they want a "good black man." Frank, authoritative, and universally relevant, her message to women is to look beyond skin color, accept themselves for who they are, and seek a man who truly loves them, regardless of race.
