Paying for It Chester Brown

The critically lauded memoir about being a john, available in paperback for the first time!

Paying for It was easily the most talked-about and controversial graphic novel of 2011, a critical success so innovative and complex that it received two rave reviews in *The New York Times* and sold out of its first print run in just six months. Chester Brown's eloquent, spare artwork stands out in this paperback edition. *Paying for It* combines the personal and sexual aspects of Brown's autobiographical work (*I Never Liked You*, *The Playboy*) with the polemical drive of *Louis Riel*. He calmly lays out the facts of how he became not only a willing participant in but also a vocal proponent of one of the world's most hot-button topics?prostitution. While this may appear overly sensational and just plain implausible to some, Brown's story stands for itself. *Paying for It* offers an entirely contemporary exploration of sex work?from the timid john who rides his bike to his escorts, wonders how to tip so as not to offend, and reads Dan Savage for advice, to the modern-day transactions complete with online reviews, seemingly willing participants, and clean apartments devoid of clichéd street corners, drugs, or pimps. Complete with a surprise ending, *Paying for It* continues to provide endless debate and conversation about sex work.

From reader reviews:

Cornell Neal:

Information is provisions for individuals to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider any time those information which is in the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Paying for It as your daily resource information.

Paul Jones:

Precisely why? Because this Paying for It is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the guide store hurriedly.

Kara Hogan:

Beside this kind of Paying for It in your phone, it could give you a way to get closer to the new knowledge or info. The information and the knowledge you will got here is fresh from the oven so don't end up being worry if you feel like an aged people live in narrow small town. It is good thing to have Paying for It because this book offers to you readable information. Do you occasionally have book but you don't get what it's interesting features of. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss it? Find this book as well as read it from currently!

Jason Braden:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Paying for It can make you really feel more interested to read.
