Set in the early 1800s, this captivating, romantic second book of the Ransome Trilogy from author Kaye Dacus unfolds with the grace, power, and excitement of an ocean storm.

When yellow fever befalls Charlotte and her identity is discovered, she begs first officer, Ned Cochran, and Julia to keep her presence and illness from her brother. But could this secret create insurmountable waves between Julia and William? And will Ned's tender care of Charlotte change the tide of her affections forever?

This smart, engaging tale is about holding on to faith during the journey to love and be loved.
