The New York Stories (Penguin Classics) John O'Hara

Collected for the first time, the New York stories of John O'Hara, "among the greatest short story writers in English, or in any other language" (Brendan Gill, *Here at The New Yorker*)

Collected for the first time, here are the New York stories of one of the twentieth century's definitive chroniclers of the city—the speakeasies and highballs, social climbers and cinema stars, mistresses and powerbrokers, unsparingly observed by a popular American master of realism. Spanning his four-decade career, these more than thirty refreshingly frank, sparely written stories are among John O'Hara's finest work, exploring the materialist aspirations and sexual exploits of flawed, prodigally human characters and showcasing the snappy dialogue, telling details and ironic narrative twists that made him the most-published short story writer in the history of the *New Yorker*.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Patrick Taylor:

This The New York Stories (Penguin Classics) is great reserve for you because the content which is full of information for you who else always deal with world and have to make decision every minute. That book reveal it details accurately using great plan word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having The New York Stories (Penguin Classics) in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen second right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?

Victor Loy:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The New York Stories (Penguin Classics) can make you experience more interested to read.
