The Unexpurgated Case Against Woman Suffrage E. Almroth Wright

In reality, however, the influence of women has caused man to leave unsaid many things which he ought to have said. Especially in two respects has woman restricted the discussion. She has placed her taboo upon all generalisations about women, taking exception to these on the threefold ground that there would be no generalisations which would hold true of all women; that generalisations when reached possess no practical utility; and that the element of sex does not leave upon women any general imprint such as could properly be brought up in connexion with the question of admitting them to the electorate.
