Napa State Hospital (Images of America)

Lauren Coodley, Patricia Prestinary

Napa State Hospital (Images of America) Lauren Coodley, Patricia Prestinary

Napa, because of its natural beauty and optimal conditions for “moral treatment,” was chosen as the second site for a state hospital to ease overcrowding in Stockton Asylum. When the fully self-sustaining Napa Asylum opened in 1875, it quickly filled to capacity and became home to many people suffering from mental illness, alcoholism, grief, and depression. In 1924, Napa Asylum was renamed Napa State Hospital to reflect changes in the medical model and treatments for psychiatric patients. Covering the first 100 years of the hospital’s history, this unique book tells the story of the institution and the people for whom it served as employer. Known locally as Imola, this beautiful site became an integral part of the community.
