O mistério: A Razão Materialista e o Paradigma Transgressor da Física Quântica (Portuguese Edition) Manoel Belo

Esta obra propõe a explicação de tudo o que existe no mundo. É solução definitiva à questão da dualidade existente entre o conhecedor e o objeto a ser conhecido. Mostra, também, importantes revelações que poderão mudar a visão de mundo das pessoas em relação a Deus e Universo, mente e matéria, consciência e cérebro. Acaba com o chamado Hiato Explicativo; problema considerado insolúvel até pela Neurociência, e que serviu para dividir arbitrariamente a Teoria do Conhecimento em duas vertentes distintas, chamadas de Materialismo e Idealismo.
