Stephen Jay Gould

Bully for Brontosaurus: Reflections in Natural History Stephen Jay Gould

"Provocative and delightfully discursive essays on natural history. . . . Gould is the Stan Musial of essay writing. He can work himself into a corkscrew of ideas and improbable allusions paragraph after paragraph and then, uncoiling, hit it with such power that his fans know they are experiencing the game of essay writing at its best."--John Noble Wilford, *New York Times Book Review*
