Cold Shoulder Road (The Wolves Chronicles Book 9) Joan Aiken

Is Twite and her cousin, Arun, use their telepathic gifts to find Arun's missing mother in this gripping adventure set in an alternate British kingdom

When Is Twite and her cousin, Arun, return to Cold Shoulder Road in Folkestone after their astonishing adventures in the North, the town is deserted and Arun's mother is missing. Some say she took off with the sect Arun was raised in before he ran away. Known as the Silent Folk, members of the group are not allowed to talk and must communicate through sign language. But there are others who insist that Ruth Twite is a witch. To make matters worse, Is's sister Penny has also vanished, along with the mute Handsel child. The only clue to all of their whereabouts is an elusive stranger called Admiral Fishskin.

When Is and Arun finally track down the cult, Arun discovers that they have new leader. Evil, charismatic Dominic de la Twite plays dangerous mind games and is able to block telepathic communication between Is and Arun. The cousins also find themselves up against a band of smugglers called the Merry Gentry that is using hidden tunnels beneath the city to search for buried treasure.

With its sprawling cast of Dickensian characters and imaginative historical and social setting, this gripping adventure will delight existing fans of the Wolves Chronicles and new readers alike.

Cold Shoulder Road is the 9th book in the award-winning Wolves Chronicles, but you may enjoy reading the series in any order.

This ebook features an illustrated personal history of Joan Aiken including rare images from the author's estate.
