## **El juego del diábolo (Voces/ Literatura nº 105) (Spanish Edition)** Juan Pedro Aparicio

Diávolo es diablo en italiano. Un diábolo es asimismo un juguete que tiene la forma de dos conos unidos por su parte más estrecha. Juan Pedro Aparicio publicó en esta misma colección un libro titulado La mitad del diablo.

Este libro es su complemento. Entre los dos forman un diábolo. Aquel correspondería a la mitad izquierda; éste, a la derecha. Aquel iba de más a menos, pues empezaba por el relato más extenso para concluir en el más diminuto; éste va del cuento de apenas una línea al de poco más de un página.

Ahora el Maligno es carne de nuestra carne; establece pactos, se enamora, escribe novelas, viaja, se burla y es burlado, y cuando, como amante, engaña o, como escritor, rinde su pluma, lo hace provocando en el lector una irónica sonrisa.
