Delirium and Destiny: A Spaniard in Her Twenties (Sunny Series, Women Writers in Translation)

Maria Zambrano

Maria Zambrano's *Delirium and Destiny* makes the work of this major Spanish philosopher available in English for the first time. An excellent introduction to Zambrano's life and thought, it traces the intellectual formation of a young woman who became one of Jose Ortega y Gasset's most distinguished pupils, and it chronicles Zambrano's redefinition of his philosophical positions. A truly interdisciplinary work, this translation is accompanied by an extensive critical essay, a translator's afterword, and a glossary of pertinent historical and philosophical terms.
