Nobody's There Joan Lowery Nixon

For fans of Gillian Flynn, Caroline Cooney, and R.L. Stine comes *Nobody's There* from four-time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon.

Furious at her father for breaking up their family, Abbie Thompson acted without thinking and got arrested for malicious mischief. Now the judge has assigned her to volunteer in a program that matches teens with the elderly. But Abbie doesn't get just any elderly person. She gets Edna Merkel, a cranky, difficult woman who's a member of the town's crime prevention group. In fact, Mrs. Merkel is too active a member, and after she brags that she's on to something big, she is attacked and ends up hospitalized. Suddenly the private investigator game is real, and only Abbie—with the help of Mrs. Merkel's indecipherable notebook—can figure out who did it. But will Abbie get to the assailant before the assailant gets to her?

“Fast-paced and involving.” –*Kirkus Reviews*

“Well drawn and distinct...Nixon's fans will no doubt enjoy.” –*School Library Journal*

“Another great mystery.” –*VOYA*

From reader reviews:

Holly Silva:

Information is provisions for those to get better life, information currently can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Nobody's There as your daily resource information.

April Cotton:

Do you have something that you prefer such as book? The book lovers usually prefer to pick book like comic, brief story and the biggest the first is novel. Now, why not attempting Nobody's There that give your fun preference will be satisfied through reading this book. Reading routine all over the world can be said as the opportunity for people to know world much better then how they react to the world. It can't be claimed constantly that reading addiction only for the geeky individual but for all of you who wants to possibly be success person. So , for all of you who want to start reading as your good habit, you could pick Nobody's There become your own personal starter.

Alice Edwards:

Beside this specific Nobody's There in your phone, it can give you a way to get more close to the new knowledge or information. The information and the knowledge you will got here is fresh from the oven so don't end up being worry if you feel like an old people live in narrow small town. It is good thing to have Nobody's There because this book offers to you readable information. Do you often have book but you don't get what it's all about. Oh come on, that wil happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. Use you still want to miss it? Find this book as well as read it from at this point!

Patti Wooden:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Nobody's There can make you sense more interested to read.
