John Michael Greer

The Druidry Handbook: Spiritual Practice Rooted in the Living Earth John Michael Greer

A living tradition of nature spirituality rooted in Celtic antiquity and revived to meet the challenges of contemporary life, Druidry offers people a path of harmony through reconnection with the green Earth. *The Druidry Handbook* is the first hands-on manual of traditional British Druid practice that explores the Sun Path of seasonal celebration, the Moon Path of meditation, and the Earth Path of living in harmony with nature as tools for crafting an earth-honoring life here and now. From ritual and meditation to nature awareness and ecological action, John Michael Greer opens the door to a spirituality rooted in the living Earth.

Featuring a mix of philosophy, rituals, spiritual practice, and lifestyle issues, *The Druidry Handbook* is one-stop shopping for those seriously interested in practicing a traditional form of Druidry. It offers equal value to eclectics and solitary practitioners eager to incorporate more earth-spirituality into their own belief system; it also appeals to the merely curious.
