The Official Handbook of the Vast Right-Wing Conspiracy 2008: The Arguments You Need to Defeat the Loony Left This Election Year Mark W. Smith

Already tired of the left-wing media spin on the 2008 elections? Had enough of Democratic talking heads hyping tax increases and the global warming scare? Looking for an island of straight-talking sanity in today's swamp of multi-cultiliberal gibberish? Look no further. Mark Smith continues his crusade against the lunatic Left with this new edition of *The Official Handbook of the Vast Right-Wing Conspiracy*. Right on time for the 2008 elections, this book shows you how to shoot down the latest liberal rants for bigger government, a cowardly foreign policy, and depraved social values. If you need a quick comeback to a liberal's demand to expand the nanny state, this is the place to find it. If you want handy arguments to challenge a leftist's denial of liberal media bias, you'll get them here. And if you must have the one book that drives liberals absolutely berserk, this is it. Why stay silent in the face of so many leftist lies? Grab a copy of *The Handbook* and you'll be ready to wade into a San Francisco cocktail party, a Grateful Dead reunion concert, or an Ivy League classroom and take on liberals on their home turf. More fun than Hillary's dysfunctional village and less expensive than John Edwards's haircuts, *The Official Handbook of the Vast Right-Wing Conspiracy* will get you riled up and ready for battle in the 2008 presidential election
