Experimental Business Research

Experimental Business Research

Experimental Business Research includes papers that were presented at the First Asian Conference on Experimental Business Research held at the Hong Kong University of Science and Technology (HKUST), on December 7-10, 1999. The conference was organized by the Center for Experimental Business Research (cEBR) at the HKUST.

The papers presented at the conference and a few others that were solicited especially for this volume contain original research on individual and interactive decision behavior in various branches of business research including, but not limited to, economics, marketing, management, finance, and accounting.

Experimental Business Research is suitable as a secondary text for a graduate level course, and as a reference for researchers and practitioners in industry.
