Mediation in Family Disputes: Principles of Practice Marian Roberts

This is the authoritative textbook on family mediation. It draws on a wide cross-disciplinary theoretical literature and on the author's extensive and continuing practice experience. It encompasses developments in policy, research and practice in the UK and beyond. First published in 1988 as a pioneering work, this fourth edition has been fully updated to incorporate legal and policy developments in the UK and in Europe, new sociological and philosophical perspectives on respect, justice and conflict, and international research and practice innovations.
