Pledging abstinence until marriage can be dangerous.

Huh?! You read that right! The reality is that while you may have decided to save sex for marriage, you may still be having physical encounters--just not going all the way. But being a "technical virgin" isn't just risky--did you know you could still contract an STD or get pregnant?--it can wreak havoc on your emotions and your spirit. Even innocent playing around, like back rubs or tickle fights, could be setting the stage for something more. Hayley DiMarco explains why.

Technical Virgin also answers questions you might be afraid to ask.

- Have I gone too far?
- What is too far?
- If I've messed up, will God forgive me?
- What should I do from now on?

Knowing when to draw the line will help save you the pain "everything but sex" can bring. This book can help you start over with a clean slate if you've already "messed up" and keep your purity intact if you're just starting to get physical with guys. Because purity doesn't have room for compromise.

Hayley DiMarco is the founder of Hungry Planet, the co-author of the phenomenally successful *Dateable* and the author of *Mean Girls* and *Sexy Girls*. Hayley and her husband, Michael, live in Nashville, Tennessee.
