## **Westlake** Deborah S. Rossman

The city of Westlake was originally settled as part of Dover Township. In the period between 1811 and 1840, the pioneers cleared the forest to make way for agriculture. The land shaped the boundaries of the township, a 15.9-square-mile area rich in farms, dairies, orchards, and vineyards. The town's businesses grew and prospered, and Dover became the second-largest shipping point for grapes in the United States. Over time the farms have disappeared from the landscape, but the city's proud heritage continues today. Westlake is an opportunity to experience not only the past events in the city of Westlake but also the lives of the people who call Westlake home.
