**Antique Steins: A Collectors' Guide** James R. Stevenson

In this revised second edition, two new chapters provide helpful information about stein repair and reproduction. Collectors will find that the facts and guidelines about reproduced steins will prove invaluable in avoiding costly purchasing errors. Fifty Mettlach steins have been added, as well as new HR and character steins. A substantial number of new photographs enhance the sections on pewter and glass steins, and many more steins appear in color in this edition. The result is a comprehensive picture catalog for reference for beginners, seasoned collectors and dealers alike.
