Avalon Anya Seton

The last quarter of the tenth century was a time of conflict and exploration. While the Anglo-Saxons fought against the Vikings, Norsemen voyaged into the unknown, looking for new lands to pillage, and so discovered America.

Prince Rumon of France, descendant of Charlemagne and King Alfred, was a searcher. He had visions of the Islands of the Blessed, perhaps King Arthur's Avalon "where falls not hail, or rain, or any snow." Merewyn grew up in savage Cornwall—a lonely girl, sustained by stubborn courage and belief in her descent from great King Arthur. Chance—or fate—in the form of a shipwreck off the Cornish coast brought Rumon and Merewyn together and from that hour their lives were intertwined. Bound by his vow to her dying mother, Rumon brought Merewyn safely to England and kept from her and all others the shameful secret of her birth. But there his responsibility ended. At court Queen Alfrida dazzled him with her beauty and held him in subjection to her will. Freed by the revelation of Alfrida's murderous actions in a bid to capture the throne for her son, Rumon finally turned to Merewyn, only to find that he had lost her. His search led him across the Atlantic to an unknown land, to disappointment, and at last to fulfillment and peace.

From reader reviews:

Thomas Brown:

The book Avalon can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book Avalon? Several of you have a different opinion about guide. But one aim which book can give many details for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or facts that you take for that, you can give for each other; you may share all of these. Book Avalon has simple shape however, you know: it has great and big function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Walter Blankenship:

Reading a book can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new information. When you read a e-book you will get new information because book is one of various ways to share the information or their idea. Second, studying a book will make you more imaginative. When you reading a book especially hype book the author will bring one to imagine the story how the figures do it anything. Third, you could share your knowledge to other individuals. When you read this Avalon, you are able to tells your family, friends along with soon about yours e-book. Your knowledge can inspire others, make them reading a publication.

Everette Murray:

Does one one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't judge book by its deal with may doesn't work is difficult job because you are scared that the inside maybe not while fantastic as in the outside look likes. Maybe you answer can be Avalon why because the great cover that make you consider concerning the content will not disappoint you. The inside or content is fantastic as the outside or perhaps cover. Your reading 6th sense will directly direct you to pick up this book.

Joan James:

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This Avalon can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?
