Kusamakura (Penguin Classics) Natsume Soseki

A stunning new translation-the first in more than forty years-of a major novel by the father of modern Japanese fiction

Natsume Soseki's *Kusamakura* follows its nameless young artist-narrator on a meandering walking tour of the mountains. At the inn at a hot spring resort, he has a series of mysterious encounters with Nami, the lovely young daughter of the establishment. Nami, or "beauty," is the center of this elegant novel, the still point around which the artist moves and the enigmatic subject of Soseki's word painting. In the author's words, *Kusamakura* is "a haiku-style novel, that lives through beauty." Written at a time when Japan was opening its doors to the rest of the world, *Kusamakura* turns inward, to the pristine mountain idyll and the taciturn lyricism of its courtship scenes, enshrining the essence of old Japan in a work of enchanting literary nostalgia.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From the Trade Paperback edition.
