Love Remembered: A Book of Comfort in Grief Celia Haddon

This beautiful anthology will help all those who are going through the valley of the shadow of death. The words express the disbelief, the grief, the anger and the sadness that they feel, as they move slowly through the stages of loss. The words of writers and poets like Tennyson, Thoreau and Auden are reassuring companions for those who have lost a loved one. Illustrated with Victorian paintings and cards, this book - which was inspired by the death of the author's mother - is a perfect gift for those who mourn.
