Murder on the Leviathan: A Novel Boris Akunin

Paris, 1878: Eccentric antiquarian Lord Littleby and his ten servants are found murdered in Littleby's mansion on the rue de Grenelle, and a priceless Indian shawl is missing. Police commissioner "Papa" Gauche recovers only one piece of evidence from the crime scene: a golden key shaped like a whale. Gauche soon deduces that the key is in fact a ticket of passage for the *Leviathan*, a gigantic steamship soon to depart Southampton on its maiden voyage to Calcutta. The murderer must be among its passengers.

In Cairo, the ship is boarded by a young Russian diplomat with a shock of white hair—none other than Erast Fandorin, the celebrated detective of Boris Akunin's **The Winter Queen**. The sleuth joins forces with Gauche to determine which of ten unticketed passengers on the *Leviathan* is the rue de Grenelle killer.

Tipping his hat to Agatha Christie, Akunin assembles a colorful cast of suspects—including a secretive Japanese doctor, a professor who specializes in rare Indian artifacts, a pregnant Swiss woman, and an English aristocrat with an appetite for collecting Asian treasures—all of whom are confined together until the crime is solved. As the *Leviathan* steams toward Calcutta, will Fandorin be able to out-investigate Gauche and discover who the killer is, even as the ship's passengers are murdered, one by one?

Already an international sensation, Boris Akunin's latest page-turner transports the reader back to the glamorous, dangerous past in a richly atmospheric tale of suspense on the high seas.

From the Hardcover edition.
