## O trono de fogo (As crônicas do Kane Livro 2) (Portuguese Edition) Rick Riordan

Os deuses do Egito Antigo foram libertados no mundo atual, e desde então Carter Kane e sua irmã, Sadie, vivem mergulhados em problemas incomuns à maioria dos mortais. Descendentes da Casa da Vida, ordem secreta que remonta à época dos faraós, os dois têm poderes especiais, mas ainda não os dominam por completo - refugiados na Casa do Brooklin, que se tornou um local de aprendizado para novos magos, eles correm contra o tempo. Seu inimigo mais ameaçador, Apófis, a serpente do caos, está se erguendo. Se eles não conseguirem impedi-lo, em poucos dias o mundo encontrará um final trágico.

Para que tenham alguma chance de derrotar as forças do caos, eles precisarão da ajuda de Rá, o deus sol. Despertá-lo, porém, não será tarefa fácil: nenhum mago jamais conseguiu. Primeiro, Carter e Sadie terão que rodar o mundo em busca das três partes do Livro de Rá, para só então começarem a decifrar seus encantamentos. E, é claro, não podemos deixar de mencionar que ninguém - ninguém - tem ideia de onde está o deus.

Narrado alternadamente por Carter e por Sadie, com uma gama enorme de novos personagens e aventuras em diversos cenários do planeta, este segundo volume de As crônicas dos Kane fará os leitores se segurarem na cadeira enquanto viram as páginas.
