The Budget As A Communication Tool (InFocus Reports) Justin Marlowe

Today's local governments are under great pressure to provide services faster, cheaper, and in more customized ways while meeting stringent standards for financial and performance accountability. The Budget As A Communication Tool discusses some of the challenges and drawbacks that often accompany attempts to usefully engage citizens in the budget process, and it provides several examples of simple but effective presentations of the information necessary to promote effective citizen understanding of and participation in the budget process.
