Star Happy Quilts: Complete Patterns for Star-Studded Piece 'n' Play Quilts Judy Martin

Star Happy Quilts is an easy and fun pattern book. It's composed of three simple and different star blocks arranged in lots of variable ways. First you make the blocks, then you play with how to arrange them. The quilts were made up in five sizes, each arranged and colored differently. Then Judy drew 27 other variations to pick from. Within a particular size, you don't have to figure any yardage, regardless of which arrangement you want to make. It's all there for you, and yet the possibilities are nearly limitless!

Star Happy Quilts has thorough and accurate rotary cutting instructions and piecing diagrams, plus full-size templates and quilting motifs.

The best part of Star Happy Quilts is that it is a social book. Playing with the arrangements after the blocks are sewn is perfect for the social settings of quilt classes, guild meetings, or private get-togethers among quilting friends.
