How can Skylar stay true to herself without losing the ones she loves most?

Senior year is over and Skylar Hoyt is ready to forgive and forget. Or at least forget. She wants a fresh start where people don't know about her past or her dysfunctional family. A place where she won't run into her ex-boyfriend every time she leaves the house. When she gets the opportunity to spend the summer in Hawaii with her grandparents, Skylar jumps at the chance to get out of town. But will she truly be able to leave her old life behind? And will she be strong enough to rise above the gossip and live the life God wants?

Stephanie Morrill is a twentysomething living in Kansas with her high school sweetheart-turned-husband and their daughter. She is the author of *Me, Just Different* and *Out with the In Crowd*. She loves writing for teens because her high school years greatly impacted her adult life. That, and it's an excuse to keep playing her music really, really loud.
