**Europe, Europe: Forays into a Continent** Hans Magnus Enzensberger

In this highly acclaimed and entertaining book, already "among the touchstones of the new travel writing" (*Newsweek*), one of West Germany's leading authors takes us on an insider's tour of Europe in the recent past. Focusing on Italy, Poland, Hungary, Sweden, Spain, and Portugal, he describes how Europe has been moving toward a new identity.

Enzensberger makes a witty and knowledgeable traveling companion, delving into surprising corners and byways—from the back alleys of Budapest to the halls of the Italian mint—and striking up conversations with everyone from bankers to revolutionaries, astrologers to apparatchiks. In the process, he suggests that Europe's strength lies increasingly in embracing diversity and improvisation, not bigness and regimentation. He enables us to see with fresh eyes one of the most exciting parts of the world today.
