Public Expenditure Management A. Premchand

This book, by A. Premchand, a former Assistant Director of IMF's Fiscal Affairs Department, provides a comprehensive discussion of the expenditure process in public authorities from a management perspective. It covers the various aspects, ranging from budget formulation to the courteous delivery of services to the public. In each, it considers the critical issues faced in industrial and developing countries and formerly centrally planned economies and discusses the efforts necessary to assure the public about the adequacy of public expenditure management machinery.
