## **The Joy of Cancer** Anup Kumar

When Anup Kumar discovered he had cancer it had already advanced to the last stages. He was told he had only four months to live. This book is the outcome of the emotional and physical anguish that followed, but much more, it is about the power of the human mind and body to turn a death sentence around. It is said that the only real experts on cancer are cancer patients themselves. They'll tell you things the doctors won't. for instance, how do you accept the presence of cancer in your life? How do you conquer fear? What exactly are the side effects of chemotherapy? What precautions should you take?

Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you and try to like reading which.

#### Delbert Lambert:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Joy of Cancer can make you feel more interested to read.
