"Myka the Goddess Witch: Zeus Secret" When the father of all gods Zeus discovered his beloved daughter Athena was pregnant with Apollo's baby, he ordered all gods and goddesses to keep it a secret because he wanted all mortals to believe Athena was an eternal virgin. The moment I was born Zeus gave me away to a loyal mortal 'witch' named Maia which means 'nursing mother'. My father Apollo had to have a special magic spell done by Maia because he was the god of truth who can't speak a lie. Zeus also asked Maia to cast a spell on my mother so she would not fight him when he gave me away. Maia lived in Mykonos, Greece and decided to name me 'Myka'. She was careful to cast the biggest magic spell on me. I was going to be a mortal girl until the day of my 18th birthday! "Soul Thieves" My best friend was killed in a motorcycle accident. He was 18 years old like me when he died. I was invited to a lagoon and I decided to summon Jesse's spirit while I was in the water. I didn't know how to swim and I almost drown while calling for Jesse. The moment I reached shore a strong realization came to my head. The only way that I could see Jesse again was by being dead like him! People tend to summon a loved one when they die. Sometimes the right soul or spirit hears the summoning; but sometimes the ones listening are the 'Soul Thieves'. A Sentinel is in charge of guarding human souls from the Soul Thieves who sells them to a diabolic goblin named Azura. She eats the souls to stay young and powerful. My name is Leila and I was named an 'Earth Sentinel' by my dead twin sister Lia. My mission is to battle Soul Thieves and destroy Azura with the help of an attractive 19 year old Earth Sentinel named Max and his sister April. The three of us were given a special power to help us be victorious!
