According to Doug Fields, the number one question people ask him is "How do I start an effective small group program?" This resource is his answer. Everything Doug and his ministry partner Matt McGill know about launching small groups has been put into this production pack resource.

The *Small Groups From Start To Finish* production pack walks you through 10 clear steps on how to launch a healthy small group program within your youth ministry. Included in all of this information is a CD-ROM with all resources used in the small group ministry at Saddleback Church. We've crammed everything we can in there to help make your small group launch a success.

The resource is broken down into three parts:

1. Description of the 10 steps.
2. Dozens of handouts, job descriptions, training sheets, and letters (a time-saving dream!)
3. The CD-ROM containing everything from part 2 in Word and PDF formats so you can edit, print and distribute whatever you need.
