When it comes to photography, getting from awful to awesome can be as simple as shifting the camera a few inches, tweaking the exposure just a bit, or making a simple lighting change. The trick is to develop your eye and your photography skills by learning from experts, experimenting with your technique, and shooting lots of photos. In ***Your Photos Stink!: David Busch's Lessons in Elevating Your Photography from Awful to Awesome***, veteran photographer and author David Busch shows you how to create awesome images over a wide range of subjects--showing flawed photos alongside their improved versions, with clear explanations of how the fixes were made. Covering techniques of composition, exposure, post-processing, and more, and featuring dozens of side-by-side examples of awful/awesome photographs from subjects like nature, travel, and city life, Busch teaches you to see the most common problems that trouble photographers and how to correct them. Get ready to step up your game, with ***Your Photos Stink!: David Busch's Lessons in Elevating Your Photography from Awful to Awesome***.
